THE BULLETIN OF
THE CLEVELAND MUSEUM OF ART
CLEVELAND OHIO

THIRD YEAR | APRIL 1916 | NUMBER ONE

MEMBERS' PRIVILEGES AT THE INAUGURAL

It seems advisable to notify friends of the Museum who have not yet become members, that it has been found necessary to limit the invitations to the Inaugural exercises (on the afternoon of Tuesday, June sixth), to members of the Museum, as less than six hundred people can be seated. The auditorium only will be opened in the afternoon, the first view of the building and exhibits being reserved for the evening.

The cards for the evening reception will be issued only to members and their resident family and out-of-town guests—the number of tickets available varying with the grade of membership. The size of the membership makes it necessary to exclude residents of Greater Cleveland, who are not members, from both functions.

MEMBERSHIP

It is interesting to note the number of new members who have become affiliated with the Museum since the last issue of the *Bulletin*. The total membership up to April fifteenth is as follows:

Benefactors	6
Honorary Fellows	4
Fellows in Perpetuity	1
Fellows for Life	8

Sustaining Members	13
Annual Members	740
A total of	1042
